Owner: LAZY JP RANCH

Courtesy of Lazy JP Ranch

Diamond is one of our handful of straight Butler females. She brings all the classic bloodlines together in a stylish colorful package. She is halterbroke and is dog gentle. Check out that twist she has started! Diamond had a fall calf last year (JP Barracuda) so we held her open to move her to our spring valving season. We have planned to AI her to Dixie Rebel to maximize her twist genetics for her next calf.
